WHAT THE HECK IS A

8879 FORM

This is the FEDERAL E-File Form! It should be one of the last steps of filing your return. It gives your preparer permission to E-file your return on your behalf.

This form is also a great summary of your return! It will show you what your refund is or what you owe.

It usually requires a "wet signature" and cannot be digitally signed (this was waived during the COVID-19 Pandemic, check with your preparer for current ruling).
